A Roman Catholic School of Academic Excellence

Family Directory Information

Dear ELA Parents,

East Lake Academy will have a directory of East Lake families for the upcoming school year. The East Lake Academy directory is distributed only to the families and staff of East Lake Academy. Our goal is to publish this helpful reference tool shortly after the start of the school year.

In order to meet this objective, we ask that all families submit the information to be included in the school directory. I will be organizing the collection process and can answer any questions. Please return this form to the ELA office.
