We are always in need of help with score sheets and the scoreboard. We need 2 parent helpers per HOME game which is between 5-8pm on weeknights for 6th-8th grade and between 9am-2pm on Saturdays for 4th-5th grade. Please circle how many games you can help with. 1 – 2 games is a great help. Once the season schedule is set, you will get an email to choose your dates. Instructions will be provided.
