

November 18, 2016

Dear East Lake Academy Grades 6-8 Parents,

The Apostolic Committee has secured a number of dates for our 6th-8th grade students to volunteer at a PADS shelter. PADS is an organization that provides food and shelter to homeless families in Lake County. The first date we will be volunteering is Saturday, December 10, 2016. The students would be required to be present at the PADS location in downtown Libertyville, from **5:30pm-8:30pm** to set up and serve the guests. There will be one-two East Lake staff members volunteering alongside our students at each volunteer date. The PADS coordinator requests **only 6 student volunteers** and **2-3 adult volunteers** at each session and so we will therefore **need to accept volunteers on a first come, first served basis.**

At this time, we are seeking student and parent volunteers to serve December 10, 2016. Parents will be responsible for transporting children to and from the PADS location in downtown Libertyville located at the United Methodist Church, 429 Brainerd, Libertyville (across from the Cook Memorial Library). Thank you!

In Christ,

The Apostolic Committee

.....
YES! My child, (name) _____, Grade _____ is interested and available to volunteer at the PADS shelter **on December 10, 2016.**

YES! I, (parent name) _____, am interested and available to volunteer at the PADS shelter **on December 10, 2016.**
